

WELCOME!

This open house is for the review of the Draft Southern Region Planning Group Master Plan, to discuss plan features, and gather feedback.

How you can help:

- Visit the information stations and talk with DNR staff about your interests and ideas.
- Visit our web page: dnr.wi.gov and search “Master Planning” then “Southern Region Planning Group” to view the planning documents, updates, and to sign up for email news specific to this property. The draft master can be found under the “documents” tab.
- Submit your comments in the meeting drop box, by mail, or electronically at:

<https://www.surveymonkey.com/r/HZ3LFXJ>

----- Fold, Tape, Stamp & Mail -----

Submitting your comments via paper survey:

- Record your thoughts on this form (see back) and return to us by **April 23rd, 2018**.
- Additional questions or comments may be submitted to:

Public Comment Form
Draft Master Plan for Southern Region Planning Group

Name/Affiliation: _____ Today's Date: _____

Email or mail address for updates (optional):

Draft Master Plan can be found here under "documents" tab:

<https://dnr.wi.gov/topic/Lands/MasterPlanning/SouthernKettles/>

1. What plan recommendations do you support?

2. What comments do you have regarding the management suggestions in the draft plan?

3. As a part of this master plan, some previously unnamed, scattered fish and wildlife parcels have been grouped and named to help the public find the parcels for access easier. Uses of the properties and state ownership will stay the same. A link with a list of grouped properties and proposed names can be found on the Southern Region Master Plan site under "documents" tab (see link above). Please list any comments you have (if any) on the proposed groupings and new property names.

4. What other comments or suggestions would you like to share regarding the plan for the Southern Region Planning Group master plan?

Thank you for sharing your time and opinions with us!
